

## REMARKS

Figure 2 has been amended to show an alternative top surface location of the lift surfaces (shown in broken lines), as originally recited in the claims, e.g. claim 1. And the specification has also been amended to properly reference the amendments to Figure 2. Applicant respectfully submits that the amendments contain no new matter, with support for the amendments found in the Specification, Claims, and/or Drawings.

In the event that the Examiner finds any remaining impediment to the prompt allowance of these claims that could be clarified with a telephone conference, he is respectfully requested to initiate the same with the undersigned at (925) 422-7274.

Respectfully submitted,
